GPSEN News

Hello, GPSEN partners and friends!

Summer is coming to an end and the new school and work year is heating up. Can you feel it?

There are many events coming up in the second half of September and October is always a huge sustainability month, so a bi-weekly newsletter is necessary. See highlights on our own GPSEN events, including our Sustainability Social, on September 29, and our EcoChallenge team, plus the many upcoming workshops and conferences in our region and beyond.

Hopefully, the high volume of events and resources does not overwhelm you. There truly is something for everyone! Be sure to check out the details, so you don't miss out.

Thank you for your collective effort and may the end of summer bring you much success!

Interested in having your event, news, or resources in our newsletter?

GPSEN Sustainability Social

Thursday, September 29

4:30 pm - 7:00 pm

One North Courtyard

3510 N. Vancouver, Portland, OR

You are invited to our end-of-summer party to celebrate sustainability, kick off the new school year, and highlight our community partners, including the [CENTER](#) and their coalition of community organizations in North Portland.

Enjoy live music, speakers, refreshments, ice cream, tabling, and connecting with good people!

The party will be hosted at One North. Named 2016 Sustainable Project of the Year (Portland Business Journal Commercial Real Estate Awards), One North's sustainable features include low-carbon materials, a rooftop photovoltaic array, and a 50% reduction of energy usage through high-performance building principles.

The Sustainability Social is also a fundraiser for our GPSEN Youth Network. Led by a dynamic group of high school students, we invite you to experience the "Taste of Sustainability." Developed in collaboration with "[What's the Scoop?](#)", you get to be the first to try this new flavor: basil-mint ice cream, with blueberry swirls, marshmallow clouds, flecks of hazelnut brittle and dark chocolate. We still have a few pints of "Taste of Sustainability" available, so visit our website: www.gpsen.org to support this creative effort.

Ice cream pick-up: Thursday 9/29 - Friday 10/7 (at [What's the Scoop](#), 3540 N. Williams Ave.)

Funds benefit our GPSEN Youth Network. GPSEN is a registered 501(c)(3) non-profit. For questions, please email: contact@gpsen.org.

NWEI EcoChallenge

Registration for the EcoChallenge has started! The EcoChallenge will take place October 14 - 28 and will surely inspire you to take actions for Earth and our communities.

GPSEN is hosting another team this year and we would love to have you [join our team](#). We are really proud of [NWEI](#) and our shared UNU-IAS Outstanding Flagship Project for Community Engagement award for last year's efforts. It is an amazing program and definitely worth your time. If you choose not to join our team, you might consider creating your own to support individual actions and team-building efforts for your organization, neighborhood, or business.

For more details [click here](#).

Community Events

Local & Sustainable Wood Supply Chain Tour

Saturday, September 17

11:00 AM to 7:00 PM

One North Portland - Fremont and North Williams , Portland, OR 97212

Build Local Alliance presents a tour of the local wood supply chain. The tour will focus on how a local network of committed individuals and companies can bring sustainably-grown and -harvested wood to the marketplace. We'll have three engaging and informative tour stops that trace the pathway of one project's wood, as it makes its way from forest to facade, including: Camp Adams (Forest); Kaster's Kustom Cutting (Mill), and One North (Built Project).

At One North, we'll moderate a panel discussion on the opportunities and challenges of the local sustainable wood market. Panelists include Micheal Hurley (whose mill provided some of the project's cedar); Ryan Temple of Sustainable Northwest Wood (supplier of cedar for the project); Cory Hawbecker of Holst Architecture (architect of One North); and Eric Lemelson, (project developer and specifier of the project's cedar).

Tickets are \$20-25 and include: transportation, sack lunch at Camp Adams, and appetizers/beverages at One North. [Purchase tickets here.](#)

Oregon Walkways: Cully Camina

Sunday, September 18

Join us in the Cully neighborhood for the first year of Oregon Walkways! This community event promotes awareness for walking as a fun and healthy transportation option while highlighting place-making successes by Cully organizations and individuals.

The route will close off portions of NE Killingsworth St., NE Alberta St. and NE Alberta Ct. to cars and open them up to people, activating the new Living Cully and 42nd Ave Plazas and K^hunamokwst Park, with games, music, art installations, food vendors, and local nonprofit booths.

We are honored to have the support of the City of Portland, and Metro; and to work with Cully based organizations, Oregon Walks, Living Cully, Verde, Hacienda CDC, Our 42nd Avenue, Andando en Bicicletas en Cully, and Better Block PDX to plan this event, diligently working to realize the vision of the community.

VOLUNTEERS NEEDED! Sign up by [clicking here.](#) **VENDOR SPACE [STILL OPEN.](#)**

ISSP Portland Chapter Meeting

Tuesday, September 20

5:30-7:00 pm

Portland State University Market Center Building Rm 312

1600 SW 4th Ave. Portland, OR 97204

Topics include a presentation on the Northwest Earth Institute's 2016 Eco Challenge and a discussion on core environmental science and assessment knowledge and lifelong learning strategies for sustainability professionals, led by Sean Gordon, of PSU. Sean is a research assistant professor at PSU's [Institute for Sustainable Solutions](#) and teaches the graduate course in Environmental Sustainability, one of the four core courses in PSU's graduate certificate in sustainability.

Please join us. There is no charge for the meeting, but pre-registration is requested. Register by [clicking here](#).

Film: Queen of the Sun: What are the Bees Telling Us?

Thursday, September 22

1:00-3:00 pm

Parkway North, Smith Memorial Student Union

1825 SW Broadway, Portland, Oregon 97201

Taking us on a journey through the catastrophic disappearance of bees and the mysterious world of the beehive, this engaging and ultimately uplifting film weaves an unusual and dramatic story of the heartfelt struggles of beekeepers, scientists and philosophers from around the world including Michael Pollan, Gunther Hauk and Vandana Shiva. Together they reveal both the problems and the solutions in renewing a culture in balance with nature.

Honey-inspired snacks will be served. After the movie, students will have the chance to sign up to visit our campus beehives or join our beekeeping volunteer task force.

STUDENT
SUSTAINABILITY
CENTER

This event is brought to you by the Student Sustainability Center (SSC) as part of PSU's Viking Days series.

Other Viking Days events:

[Campus Sustainability Tour](#): Mon, Sept.19 from 2-3pm

[Garden Planting](#): Tues, Sept 20 from 10am-1pm

[SSC Open House](#): Wed, Sept. 21 from 11am-1pm

[Cultural Sustainability Tour](#): Thurs, Sept. 22 from 11:30-12:30

Behavioral Insights: Lessons from the Field - Happy Hour

September 27

5:30 - 7:30 pm

McMenamins Ringler's Pub 1332 W. Burnside
(side room @ 14th & Burnside)
Portland, OR 97209

Connect with other Portland professionals interested in influencing behaviors for greater social and environmental good. Hear lessons learned from Alta Planning + Design staff's experience designing, implementing and measuring programs designed to reduce drive-alone trips and increase walking, bike and transit use.

Organized by [Behavioral Insights Group PDX](#) (BIGpdx), a Portland area forum for professionals interested in sharing successful behavior change techniques, especially within the environmental and health fields. Presentations are short, about 10-15 minutes each, with plenty of time for Q&A. Event is no-host.

For more information and to register (for free) [click here](#).

Intertwine Alliance Washington County Summit

Monday, October 3

1:00 - 6:00 pm

Portland Community College
Rock Creek Campus Event Center
17705 NW Springville Road, Portland, OR

The Intertwine Alliance continues its 2016 series of county summits with *Investing in Nature for Healthier Communities*. The summit will look at the many angles on how nature keeps our communities thriving. It'll be a chance to find out about the range of efforts going on in the county supporting this vision, along with ways to connect your organization or programs to the work.

Former Kaiser Permanente pediatrician and Intertwine Alliance Board Member, Dr. Phil Wu will give a keynote address about the latest evidence supporting nature-based positive health outcomes. An Innovation Cafe will inspire with projects going on in the county that are coming up with creative solutions to long-standing challenges. And, as always, there'll be a social hour to connect with peers and new individuals/groups interested in working collaboratively in our region.

Please [register](#) by Wednesday, September 28.

EcoChallenge Launch Party

Thursday, October 6

5:00pm - 7:30pm

503 W Burnside Street, Portland, OR

NWEI has a lot to celebrate with the launch of our 2016 EcoChallenge, and we hope you'll join us for drinks, appetizers and music. Stop by for happy hour, or stay for the whole party. Bring a friend or coworker – the more the merrier! We'd love to see you at the party whether you've participated in the EcoChallenge before or not!

FREE. [RSVP HERE](#)

Emerging Voices in Forestry

Sunday, October 9

1:00 - 5:00 pm

World Forestry Center Miller Hall

4033 SW Canyon Road | Portland, Oregon 97221

We are excited to introduce you to our five *Emerging Voices in Forestry* – leaders in the field of forestry and under the age of 45. Welcome the new leaders working at the forefront of social, economic, and environmental change.

Craft beer, wine, food, new friends, provocative ideas, great conversation. Doors open at noon.

Free with advance registration. hagensteinlectures.org

Intertwine Alliance Fall Summit

Tuesday, October 18

12:00 PM to 6:30 PM

Oregon Zoo - Cascade Crest Ballroom

4001 SW Canyon Road, Portland, OR 97221

The Intertwine Alliance is planning yet another fantastic Fall Summit at the Oregon Zoo. This year's theme is: Advancing Equity: Creating an Inclusive Movement.

We've also added a luncheon for handing out the 2016 [Force of Nature Awards](#) and celebrating the winners, to be followed by an afternoon focusing on the challenges of equity and inclusion in our sector. A roll-out of the Alliance's new Equity Strategy and a chance to learn about a range of equity-focused groups, project and resources will be the highlights of the afternoon's agenda. We'll anchor the day with the ever-popular networking/social hour for bonding with friends and making new connections.

You can purchase tickets to the luncheon and the summit separately or together. As always, first timers to Intertwine summits are free, and scholarships are available.

Please [reserve your seat](#) by Tuesday, Oct. 11. For questions, contact Lauren at lauren@theintertwine.org.

Classes, Workshops & Conferences

ACTS Webinar: Applying Psychology to Sustainability

Tuesday, September 20

8:30 pm - 9:30 pm (PST)

Join the Australasian Campuses Towards Sustainability (ACTS) to learn about how to apply psychology to engagement and behaviour change for sustainability. This session will draw on the psychological principles and drivers of sustainability and provides skills and tools for facilitating behaviour change.

Topics will include:

- An overview of the psychological drivers and determinants of sustainable behaviours and decision-making.
- Behaviour change and engagement techniques and examples, such as using values, social norms and habit change.
- A step-by-step action planning guide for designing a behaviour change intervention.

Registration fee: \$30+GST ACTS Members (AASHE members); \$45+GST Non ACTS Member

[Click here to register.](#)

Being a Naturalist in the Life of a Child

Wednesday, September 21

10:30 am - 12:30 pm

Center for Philanthropy, Bamboo Room (Third Floor)
221 NW Second Avenue. Portland, OR 97209

Celebrate Fall by exploring how you can serve as a naturalist in the life of a child. You'll learn about the influences that disconnect children from nature and how you, the adult naturalist, can nurture a child's connection to nature.

To register and learn more, [click here](#).

Webinar: Environmental Ed in the Every Student Succeeds Act

Wednesday, September 28

12:00 pm PT

Join us for the September edition of the North American Association for Environmental Education (NAAEE) monthly webinar series: [Bringing New Ideas and Innovation to the Field of EE](#). NAAEE's Director of Advocacy and Affiliate Relations, [Sarah Bodor](#), will speak about the Every Student Succeeds Act and opportunities it provides for the field of EE. [Register now](#) and we will send you the recording if you are not able to make it!

EEO Environmental Education Conference

September 28 - 30 (conference)

August 15 (early-bird registration ends today!)

[Suttle Lake Camp](#)

Sisters, Oregon

The Environmental Education Association of Oregon (EEAO) is hosting their annual conference. This year's theme is: "Enhancing Our Communities Through Environmental Education." It should be a really inspiring few days in nature with colleagues from around the state.

Topics include: Community Science; Technology and Environmental Education; School Gardens and Farm to School; Best Practices; Global Climate Change - A Local Look; Staying Current with Existing/Emerging Standards/Legislation; Watershed Education; and Creating Partnerships - Regional Collaborations Efforts.

Cost: Early bird rate of \$260 through 8/15 includes lodging, all meals, a special dinner event on Thursday, EEAO membership, recreation opportunities, and more. Scholarships are available and discounts for students and seniors, as well as a day-rate for teachers. For more information visit the [conference website](#) and consider [becoming a sponsor](#).

Webinar: The Strength of Partnerships

Thursday, September 29

8:00 AM - 9:00 AM PDT

In preparation for the Global Gender and Climate Alliance (GGCA) "GGCA Forum" at the UN Climate Treaty COP22 negotiations in Morocco, in November, you are invited to participate in a webinar that showcases the strength that can be derived from partnerships, both on the ground through grassroots work and in collective policy, advocacy and outreach efforts worldwide.

Please join our panel of leading experts who will share their compelling personal stories of successful and innovative projects on gender and climate change as an inspiration to us all. Guest Speakers include: Tracy Mann, Climate Wise Women (CWW); Juliana Vélez, Women's Environment & Development Organization (WEDO); and Markus Ihalainen, Center for International Forestry Research.

[Register now!](#)

NOAA Climate Stewards Webinars

Monday, October 3

7:30 pm ET

NOAA presents "*Beyond Science Class: Incorporating Climate Change inquiry into Social Studies, History, Economics and Geography*", with Dr. Lori Kumler, Asst. Prof.,

Dept of Political Science and International Studies, Univ. of Mount Union and Dr. Bethany Vosburg-Bluem, Asst. Prof of Teacher Education, Otterbein University.

Did you miss [NOAA Climate Stewards](#) webinar: *Climate Change, Learn & Contribute: Become a Citizen Scientist Today!* presented by John McLaughlin, NOAA's Citizen Science Coordinator? You can watch an archive of the whole broadcast [here](#).

Learn more at: [NOAA Climate Stewards](#) Sign up to the [NOAA Climate Stewards Education Project Listserve](#) to insure you receive invitations to webinars and resources.

GoGreen Portland

Register now for GoGreen Portland. As a sponsor of the GoGreen Conference, GPSEN can offer a *30% registration discount* to partners in our network.

Wednesday, October 5

9 a.m. - 5 p.m., Reception 5 p.m.
2 World Trade Center - 3rd Floor
25 SW Salmon Street, Portland, OR 97205

Now in its ninth year, GoGreen Portland has established itself as the largest regional conference for business and government decision-makers to come together for one day to gain solutions, strategies, tools and connections to advance sustainability best practices in our organizations and communities.

Join GPSEN at GoGreen to further your sustainability knowledge via in-depth plenaries and sessions all showcasing the latest in sustainable best practices for the public and private sector. Featuring regionally targeted content and recognized community leaders, the GoGreen Portland Conference program includes a full track dedicated to clean technology and energy innovation and another focused on equity and diversity issues.

Check out the [Conference website](#) for full details. To receive your **GPSEN** discount of 30% off, [register here](#).

ISSP Course: Sustaining Sustainability

Wednesdays - October 5, 12, 19, 26

10:00 - 11:30 am

A Sustainability Management System (SMS) allows for systematic internal review, monitoring and corrective actions for continual improvement. Management systems are the key to ongoing progress and embedding best practices. An SMS (sustainability management system) allows for systematic internal review, monitoring

and corrective actions for continual improvement.

ISSP's course will walk you through the creation of such a system to fit your needs. You don't need a third-party certified ISO 14001 management system to benefit from the Plan-Do-Check-Act framework. You will learn what level of sophistication works best for you and what elements to add as your system matures.

For more information [click here](#).

AASHE Conference & Expo

October 9 - 12

Baltimore, Maryland

The Association for the Advancement of Sustainability in Higher Education (AASHE) is pleased to announce that registration for the [2016 AASHE Conference & Expo](#). With a theme of "Beyond the Campus," AASHE 2016 focuses on the dissemination and implementation of sustainability solutions on higher education campuses, surrounding communities, and the world.

Join us as we bring together campus change agents who are motivated to lead the global sustainability movement. More than 2,300 attendees will take part in a variety of informative workshops, inspirational sessions, and tours, as well as an expo hall with innovative products and services from more than 90 exhibitors. This is an opportunity to share new ideas, strategies, and tactics on how we can implement campus sustainability initiatives in the surrounding community and beyond.

For more information [click here](#).

WAHESC Call for Proposals

Deadline: Friday, October 14

We are excited to announce the 2017 Washington Higher Education Sustainability Conference is seeking proposals to shape the event's programming. We invite you to help the region advance sustainability on our campuses (and beyond!) by submitting a proposal that shares your insights, solutions and expertise.

We are accepting submissions for panels, workshops and more that help support this year's theme of "Caring for our Common Home." This theme emphasizes how we are working together and overcoming differences to advance sustainability at our institutions. We look forward to unpacking the meaning and thinking on actions surrounding how we define and practice "care" and what, indeed, is our responsibility to the earth, our common home.

[Submit proposals here](#).

NAAEE Conference: From Inspiration to Impact

October 19 - 22 *Conference*

October 18 - 19 *Research Symposium*

We're excited to be heading to Madison, Wisconsin for our 45th annual North American Association for Environmental Education (NAAEE) conference and 13th annual Research Symposium, working in partnership with the Wisconsin Association for Environmental Education.

Our conference will link powerful stories of innovation and success in EE from around the world with how environmental education builds community and creates purposeful change. We will celebrate the ways in which our work inspires people of all ages and backgrounds to connect with nature, contribute to healthy environments and empowered communities, and shape a more sustainable future.

For more information [click here](#).

Jobs, Internships & Volunteer Opportunities

Job: Sustainability Analyst (PCC)

Portland Community College is recruiting for an enthusiastic, analytically-minded individual to join the college's district sustainability team and advance the department's important work. Under the direction of the Sustainability Manager, the Sustainability Analyst collects data and performs statistical analysis of sustainability indicators for current programs to determine their effectiveness and progress toward stated objectives. The position supports department leadership in researching new and proposed programs, projecting sustainability outcomes and determining overall program feasibility. The Sustainability Analyst reports results to varied audiences and represents the college and program at events, conferences and meetings. This position also assists the Sustainability Manager with a variety of district-wide projects and programs and plays a leadership role in implementing future initiatives in line with the college's Climate Action Plan and Strategic Plan.

Apply immediately; this position will close once sufficient qualified applications have been received. For full details [click here](#).

Volunteer: Seeking Slough School Volunteers!

The Columbia Slough Watershed Council, a nonprofit tax exempt organization, is a diverse group of stakeholders working to restore and enhance the 60 miles of waterways known as the Columbia Slough, located in Portland, Gresham, and Fairview.

VOLUNTEER BENEFITS:

- Training and experience with science education and outdoor leadership
- The opportunity to meet many new people and help be a part of enhancing the Columbia Slough Watershed!
- Community connections

Interested? Send a brief (12paragraph) letter of intent explaining your interest in this volunteer position to Slough School Educator Amira ElCherbini amira.elcherbini@columbiaslough.org or call [\(503\) 2811132](tel:5032811132) for next

steps. Please include your full name, email address and phone number.

For more

information: https://www.columbiaslough.org/get_involved/volunteer_opportunities/

Volunteer: Hands on Greater Portland

Hands On Greater Portland connects individuals and groups with volunteer opportunities that make a meaningful, rewarding change in the Portland area. Build a house. Tutor a child. Care for abandoned pets. Build hiking trails. Lead a volunteer group. Join a nonprofit Board.

Whether you are working, parenting, in school or retired, Hands On Greater Portland offers you a variety of ways to get involved while meeting your schedule and interests. Volunteer for a one-time project. Volunteer for a few weeks. Volunteer after work or on the weekends. Volunteer alone, with family, friends or co-workers. Get connected. Get more done. Have fun. You might even change the world.

To learn more about the program, [click here](#).

GPSEN Fellowships, Internships, and Volunteering

There are many ways to sets to [get involved](#) in GPSEN! Consider becoming a fellow, intern, volunteer, committee or working group member to make a difference. Our new GPSEN Fellows position offers a great opportunity for individuals with particular research interests and skills to dig deeper into sustainability issues, in addition to serving in a valuable advisory role. Credit and non-credit opportunities are available for internships.

Grants & Resources

Force of Nature Awards

September 30 (*Application Deadline*)

The [Force of Nature Awards](#) recognize and applaud outstanding efforts to advance a robust, regionwide network of interconnected parks, trails and natural areas, along with the connection of our residents to special places. We believe it's so very important to take the time to celebrate and bring attention to the inspired work being done by Intertwine Alliance partners throughout the region.

The Force of Nature Awards will be given out at the Intertwine Alliance's celebratory luncheon preceding the Fall Summit, on Tuesday, October 18.

Please don't hesitate to [nominate](#) someone today! For more information, [click here](#).

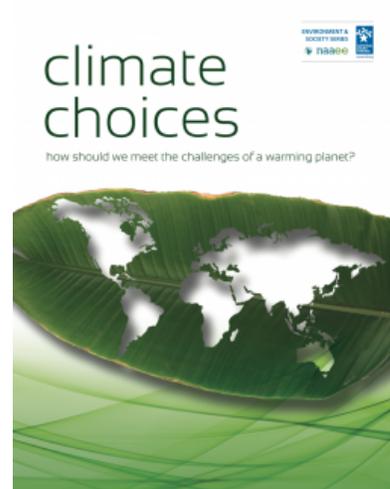

A People's Curriculum for the Earth

Over the summer, Rethinking Schools put together a "seed packet" of materials to help others around the country plan their own climate justice work. Thanks to a grant from the Mayer and Morris Kaplan Family Foundation, a foundation interested in addressing climate change through education and policy, we were able to send these—along with copies of [A People's Curriculum for the Earth](#)—to educators and activists around the country.

Now we have put these materials online, including a preview PDF of the book, and want to make them available more widely. Check them out [here](#) and spread the word.

If you are interested in purchasing *A People's Curriculum for the Earth*, we are currently running a back-to-school sale and offering a 25% discount on all books and subscriptions. Use code SCHOOLH16 at checkout.

Resource: NAAEE Free Climate Change Teacher Guides

The [North American Association for Environmental Education \(NAAEE\)](#) has launched a new program in partnership with the [Kettering Foundation](#). The Environmental Issues Forums (EIF) provides tools, training, and support for engaging adults and students in meaningful, productive discussions about sticky issues that affect the environment and communities. These teacher's guides provide an introduction to the Environmental Issues Forums (EIF) guide, [Climate Choices: How should we meet the challenges of a warming planet?](#) Using *Climate Choices* offers an opportunity for teachers and students to use a

deliberative process to consider climate change choices. This resource provides background information on deliberation, how to use *Climate Choices* in the classroom, and material to help teachers moderate a forum with students. It also includes resources on teaching about climate change.

- Click here to download the [middle school guide](#).
- Click here to download the [high school guide](#).

For more information about about NAAEE's Environmental Issues Forums (EIF), visit [their website](#).

The Outdoor Stories Project

Our friends at the [Oregon Outdoor Education Coalition](#) are launching The OutdoorStories Project — a growing collection of personal and

powerful memories from Oregonians of all backgrounds and ages. Whether these narratives tell of personal transformation, the chance to lead others, receiving safe refuge or a kind voice when needed most, discovering our unique Oregon heritage with their own two (muddy!) hands, or the timeless tradition of singing songs while bonding around the campfire, they all share how outdoor educational experiences changed people's lives in positive and often substantial ways.

Visit OutdoorStoriesProject.com now to read their first set of stories. We'll debut new memories every few days, so please bookmark the site, come back often, and share with others!

Environmental Education and Community Stewardship Report

This [newly released report](#) is a synthesis of the foremost thinking on how environmental education can lead to conservation objectives through community stewardship. It compiles the best available research and was guided by interviews of leading experts. Designed to advise the National Fish and Wildlife Foundation on their conservation education grant making, yet written as a comprehensive piece, the report can be useful across the field; it can guide environmental education investors, help practitioners improve their program design, and give evidence to program directors that what they are doing will lead to change at a landscape scale. While the research connecting environmental education to conservation outcomes is still emerging, the most important lesson outlined here is to be intentional in program design so that programs are based on the leading research, evidence, and practices. This report provides that much needed synthesis and analysis in one document.

Oregon Educator Network (OEN)

Thanks to the Oregon Department of Education, educators across the state can have free access to resources. The [Oregon Educator Network \(OEN\)](#) provides resources and conversation tools that are helpful in a variety of ways, including providing access to our PSS Environmental Education group within OEN.

For more information, check out their website: <http://www.oregonednet.org>

AACC SEED Center

The Sustainability Education & Economic Development (SEED) Center is a leadership initiative of the [American Association of Community Colleges](#) that provides strategic guidance and resources for community colleges to support programs that educate America's 21st century workforce to meet the changing demands of the clean economy. For more details and resources, check out the [SEED Center website](#).

AASHE's Campus Sustainability Hub

The [Campus Sustainability Hub](#) is an online resource library that allows AASHE members to connect, share and learn about sustainability in higher education. The Hub is designed to raise the visibility of institutions' sustainability programs and materials, and to facilitate information sharing between campuses and organizations. Users can submit resources to share information on their programs and achievements. Please see our [Submission Guidelines](#) to learn more.

Share your news with the GPSEN community via our [submission form](#).
If you have questions, please email: contact@gpsen.org.
