

SUSTAINABILITY SYMPOSIUM

Building Bridges to Sustainability

Friday, March 8th, 2019

10:00 am - 6:00 pm

Portland Community College,
Cascade Campus

Sponsorship Overview

The Greater Portland Sustainability Education Network, Portland Community College, and community partners are co-hosting our second annual Sustainability Symposium at Portland Community College, highlighting academic and community research and cutting-edge programs focused on sustainability in the greater Portland region.

This year's theme is "Building Bridges to Sustainability" and will bring together community members, students, faculties and business to discuss the most pressing sustainability issues of today. Join us in learning about and celebrating the amazing sustainability work in our region.

This event is available in part, thanks to our sponsors. Please read more about how you and your organization can become a sponsor and participate in this meaningful event.

Who Attends?

The Sustainability Symposium brings together a wide array of organizations working on sustainability including:

- Students and Faculty
- Non-profits
- Government representatives
- Businesses
- Community Members

About GPSEN

As a United National University Regional Center of Expertise on Education for Sustainable Development GPSEN's mission is to connect diverse organizations in a collaborative network that multiplies our collective capacity to educate, empower and engage for a sustainable future.
